

JEEVANSRI G

Aspiring Software Engineer | Full Stack Development | Artificial Intelligence
jeevansrig@gmail.com | +91 9361574461 | Coimbatore, Tamil Nadu, India

PROFESSIONAL SUMMARY

Second-year B.Sc. Computer Science student with hands-on experience building practical software through startup, personal, and business-automation projects. Experienced in full-stack development, responsive UI development, authentication, database-backed applications, and workflow automation. Contributes as a Senior Developer to APEX, a student innovation platform, while developing practical solutions for real-world operational needs

TECHNICAL SKILLS

Programming Languages: C, C++, Java, SQL

Web Technologies: HTML5, CSS3, Tailwind CSS, React, Vite, JavaScript

Backend & Database: Node.js, Express.js, PostgreSQL, MySQL, JWT Authentication

Tools & Platforms: GitHub, Visual Studio Code, Linux, Google Apps Script

EXPERIENCE

Artificial Intelligence Intern — AI Explore, EFTSOONS Technologies (OPC) Pvt. Ltd. *May 2026 – Jun 2026*

- Completed a 2-week internship in the Artificial Intelligence department, applying AI tools within software development workflows.
- Built practical exposure to AI concepts and development workflows by working directly with the technical team.
- Recognized by department leadership for punctuality, sincerity, and consistent performance throughout the internship.

Shop Operations Assistant (Part-Time) — Ayurvedic Medical Shop *8+ Months – Present*

- Designed and implemented an internal transfer management system to streamline inventory transfers between shop locations.
- Manage customer billing and daily shop operations, ensuring accurate transactions and smooth customer service.
- Support account management and inventory-related activities, contributing to consistent operational efficiency.

PROJECTS

APEX — Student Startup Platform | *Full Stack Development*

- Contributing as Senior Developer to a student startup platform enabling innovation and collaboration among students.
- Working on frontend and backend development, including application design, authentication, and database implementation.

Personal Portfolio Website | *React, TypeScript, Tailwind CSS*

- Designed and developed a responsive personal portfolio site showcasing projects, technical skills, and career objectives.
- Implemented modern UI principles with responsive layouts and reusable components.

Birthday Experience Website | *Web Development*

- Designed and developed an interactive birthday experience website focused on creating a personalized and engaging web experience.
- Implemented responsive layouts, interactive elements, and a polished visual presentation for sharing as a web experience.

CERTIFICATIONS

- TCS iON Career Edge – Young Professional, Tata Consultancy Services (Jun 2026)
- Artificial Intelligence Internship Certificate — AI Explore, EFTSOONS Technologies (OPC) Pvt. Ltd. (Jun 2026)

EDUCATION

B.Sc. Computer Science — Sri Ramakrishna Mission Vidyalaya College of Arts and Science, Coimbatore

Currently pursuing (2nd Year) | Autonomous College

Higher Secondary Education — Swami Shivanandha Higher Secondary School, Coimbatore

12th Completed | 2025

CORE STRENGTHS

Problem Solving • Self-Learning • Project Ownership • Adaptability • Team Collaboration
